

## 2023 DRÄGER NEW ZEALAND

# NZOHS YOUNG HYGIENIST AWARD

The Award will cover travel, accommodation and expenses to:

- Meet with a member of the Dräger R&D team in Leubeck, Germany, to understand the research process further.
- Meet with a member of the product management team, to understand the trends and challenges in the world of safety gas detection.
- Visit the Dräger Gallery - to learn and experience the Dräger history.

The application and award details are available on the NZOHS Website: <https://nzohs.org.nz/awards/> or contact [admin@nzohs.org.nz](mailto:admin@nzohs.org.nz) and a copy will be emailed to you.

It is acknowledged that the time frame for applications is short, but you will appreciate that this is a substantial award and Dräger and the NZOHS are keen to award this prize in 2023.
