

Advance your expertise. Expand your impact.

The New Zealand Occupational Hygiene Society (NZOHS) offers globally recognised Occupational Hygiene Training Association (OHTA) training courses, designed to build core skills in occupational hygiene and worker health protection.

So Why Train with NZOHS?

The Peak Professional Body

As New Zealand's leading authority in occupational hygiene, NZOHS sets the standard for excellence in training and professional development.

Flexible Delivery

Based on demand, courses are offered in-person, online, or in hybrid formats to suit your schedule, location, and learning preferences.

Expert Instructors with Global Experience

Learn from occupational hygienists who bring diverse, industry-tested knowledge from a wide range of workplaces and sectors.

Join a Professional Community

Connect with industry experts and peers, building your network while advancing your career.

Hands-On Learning

You'll gain practical experience through case studies, interactive exercises, and exposure to workplace scenarios that prepare you for real world challenges.

Train with the best.

Enrol today and take the next step in your occupational hygiene career.
